

## Gathering of Friends: Brewing up Support for the Theodore Payne Foundation!

Friday, November 7, 2014 at Golden Road Brewing, Glendale

Our fall fundraiser this year is a fun party at the Golden Road Brewery near Glendale featuring great food, craft beer, and live music by the Dustbowl Revival, a rockin' Americana Swing group that LA Weekly called the best live band of 2013.

The [\\$60 ticket](#) includes admission, food, drinks, entertainment, live music, and a commemorative beer glass. All proceeds will support the nature education facilities.

We are looking forward to welcoming new friends as well as old to this event!
